

Dawn's family

Samantha Hudson was born in 1975 on December 23. Mother.

Frank Hudson was born in 1974 on January 1st. Father.

Alana Hudson was born in 1988 on July 4th. Oldest.

Jackie was born in 1989 on August 9th.

Bonnie was born in 1991 on April 4th.

Dawn was born in 1992 on December 23rd. Youngest.

Alana was married to Kirk Richardson for ten years. They were married in 2012 on Saturday June 16th. They have two kids, Adrian, 10 and Ally 8. Kirk divorced Alana in July 2022 and took the two kids. Alana waited to get married as she built up her career as a graphic designer. She dated, but many of the guys she dated weren't up to her standards. Alana is a girly girl and has high standards in her men. This was why she didn't get married until 2012. She met Kirk through a mutual client in 2010. Even though she was the oldest of the girls, Alana was a late bloomer in everything.

Jackie is married to Chris Blaze, and they have two kids, Michael 9, and Brian 11. They were married in 2013 on Saturday August 17th. Jackie is a bounty hunter and explosives expert. Chris is a Deputy Chief to Senator Dan Bogdan.

Bonnie is married to Paul Martin. They were married in 2006 and she is a District Attorney assistant. Paul is a lawyer. Their three kids, Samantha, Angela, and Marie were all born a year apart. Samantha is the oldest and named after her mother's mom, Samantha Hudson. Sam was born in 2007. She is 15 in 2022. Ang was born in 2008 and is 14 in 2022. Marie was born in 2010 and is 12 in 2022.

Dawn was married to Jacob Malone. Had Austin when she was 17 in 2005, due to her and Jacob not waiting until they got married. In 2022, she is 30 and Austin is 13.

Their mother, Samantha, was killed in 2001, when Dawn was nine years old, while on the job. She was hunting down a ruthless killer and during a shootout, Sam was killed. That is all that is known. This was what led Dawn to become a cop. The unsolved murder of her mother is the most baffling of open cases still in the Starling PD.

Their father, Frank, was a successful DEA Agent now retired. He's had plenty of dates since the passing of his Sam. But none have compared to her. He still dates and he knows comparing all the women to Sam is wrong, but Sam was his first true love. Frank is looking for another true love. Sure, he has a huge family, but something is missing.

Alana misses her kids. Even though she has a successful graphic design business, what Kirk did to her tore her up. And now, she's fixing to move on with a childhood friend in Mack Smith.

Dawn is still trying to find out what to her marine husband, Jacob Malone, for years after he disappeared. Many say that this loss is clouding her judgement as she manages her job as Lieutenant of the Starling PD Burglary, Crime, & Property scene unit.

Jackie and Bonnie also have successful lives. The family has grown tighter since their mother's death. Even though they all know Dawn is a loose cannon, they still support her and do whatever it takes to help her manage the loss of Jacob.
